

INOX Series

Stainless Steel | Low Profile | Open End

Low profile head. Optimal for low load bearing applications in thin sheet.

Material: 304 (A2) Stainless Steel

Dimensions and specifications are subject to change without notice. Check your distributor for the latest data sheet.
 The test data provides approximate strength values averaged in multiple tests in various materials and thicknesses.
 We recommend testing your application when an exact strength figure is required, or the load to be applied comes close to the published data.
